### Origins and Inspiration

E. Lockhart, an acclaimed author known for her sharp prose and intricate plots, launched *We Were Liars* in 2014. The novel was inspired by her fascination with the nature of memory, truth, and the ways in which stories are constructed—not only within the narrative but also within the reader's mind. Lockhart aimed to craft a story that would evoke emotional depth while challenging conventional storytelling techniques.

The initial concept was to explore a seemingly perfect family and the secrets they harbor beneath their idyllic surface. The idea of a mysterious island, a privileged family, and a tragic accident served as fertile ground for developing the series' core themes.
